

ABOUT THE HAYMARKET FOUNDATION

The Haymarket Foundation is a secular charitable organisation focused on people experiencing homelessness and other marginalised communities in Sydney.

The Foundation works with people that other services are not able to: those who have co-occurring mental health, alcohol and other drug issues and frequently, life long trauma and disability.

FUTURESTEPS PROJECTS

FutureSteps has supported:

\$100,000 – Employment of a dedicated case worker to provide Post Crisis Support Service. Assisting people that have resided at The Haymarket Centre to build connection to community, sustain long term housing and access wrap around services, education and employment.

“This funding enables us to employ a post-crisis case worker to support individuals transitioning from The Haymarket Centre to independent living. Thank you, Lendlease, for partnering with us to break the cycle of homelessness and create lasting change in our community.” Aliza Denenberg Acting CEO

IN KIND DONATION

FutureSteps has supported The Haymarket Foundation through the annual Lendlease Community Day with donations of essential items, hamper packing and meal prep and packing.

\$29,000 was raised via the Charity Auction of items from the One Sydney Harbour display suit.

Further donations of bedding and furniture have been supplied to the Bourke Street centre.
